I APPROVED

Director

LLC MIP "NES ProfExpert"

Kamaliyev Damir Sagdievich

"1" October 2023

IMPARTIALITY POLICY

LLC MIP "NES Profexpert" in its activities excludes the possibility of exerting administrative, commercial, financial or other pressure that could affect the independence and impartiality in the field of validation and verification of greenhouse gases.

Personnel involved in validation and verification procedures:

- ✓ carries out its activities impartially, avoiding unacceptable conflicts of interest;
- ✓ is financially and administratively independent from Clients;
- ✓ makes decisions based on objective evidence of compliance (or non-compliance) that is not influenced by other interests or other parties.

Top management:

- ✓ does not interfere with the processes of validation and verification of greenhouse gases;
- ✓ manages conflicts of interest;
- ✓ guarantees the objectivity of the results when confirming the compliance of the greenhouse gas validation or verification process.

LLC MIP "NES Profexpert":

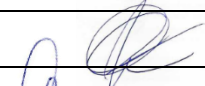

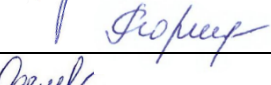

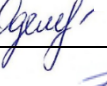

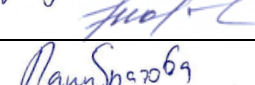

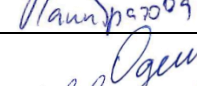

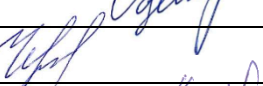

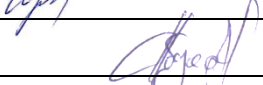

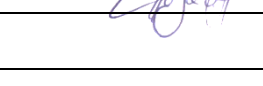

- ✓ an analysis of possible threats is carried out to ensure impartiality at the stage of preliminary analysis of each received application for validation or verification work;
- ✓ when concluding contracts for validation or verification work, requirements for impartiality must be included;
- ✓ an analysis of activities is carried out, including an analysis of the activities of personnel carrying out validation or verification work, to ensure the principle of impartiality;
- ✓ measures are taken to respond to any threats to impartiality;
- ✓ A professional environment and a high level of organization are maintained to ensure the impartial behavior of all personnel.

The Impartiality Policy is available to the public on the Internet resource nesprofex.com.
