APPROVE

Director

LLC MIP "NES ProfExpert"

Kamaliev Damir Sagdievich

September 26, 2022

DIFFERENCE POLICY

LLC MIP "NES ProfExpert" in its activities excludes the possibility of exerting administrative, commercial, financial or other pressure that may affect the independence and impartiality in the field of validation and verification of greenhouse gases.

Personnel involved in validation and verification procedures:

- ✓ carries out its activities impartially, avoiding unacceptable conflicts of interest;
- ✓ is financially and administratively independent from Clients;
- ✓ makes decisions based on objectively obtained evidence of compliance (or non-compliance), which is not influenced by other interests or other parties.

Top management:

- ✓ does not interfere in the processes of validation and verification of greenhouse gases;
- ✓ manages conflicts of interest;
- ✓ guarantees the objectivity of the results when confirming the conformity of the validation or verification process of greenhouse gases

ATLLC MIP "NES ProfExpert":

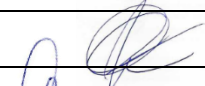

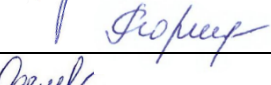

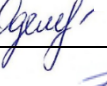

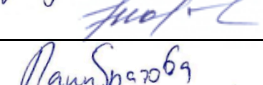

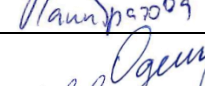

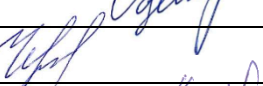

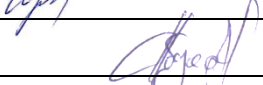

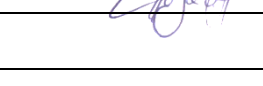

- ✓ an analysis of possible threats is carried out to ensure impartiality at the stage of preliminary analysis of each received application for validation or verification work;
- ✓ when concluding contracts for carrying out work on validation or verification, requirements for impartiality are mandatory included;
- ✓ an analysis of activities is carried out, including an analysis of the activities of personnel carrying out work on validation or verification, to ensure the principle of impartiality;
- ✓ measures are taken to respond to any threats to impartiality;
- ✓ a professional environment and a high level of organization are maintained, ensuring the impartial behavior of all personnel.

Impartiality policy is available to the public on the Internet resource nesprofex.com.
